1. Aims & Ethos

It is the School's aim that at Stratford Girls' Grammar School, students and staff should enjoy learning, experience success and develop their full potential. The aim of the Attendance Policy reflects this and recognises that regular attendance has a positive effect on the motivation and attainment of students and staff.

There is a clear link between poor attendance at school and lower academic achievement. Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents/carers to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

All students are expected to:

- attend 100% of lessons, tutor-time, tutor periods, assemblies and other learning opportunities including work experience and other school trips or visits as directed by the School;
- be punctual to all lessons, tutor-times and periods, assemblies etc. It is vital that you are marked present by your class teacher, especially at the beginnings of periods one and five. If for any reason you are late, you must **sign in** with the electronic fingerprint registration facility as soon as you arrive.

Sixth form students on an adapted curriculum are expected to meet the level of attendance set and be punctual for all sessions and lessons that they are expected to attend.

Our usual attendance rate averages at 96% or above. If attendance falls below this level the school will follow the procedures as explained in section 3.

Attendance at school is closely linked to academic performance and social well-being. We monitor absences closely and are both guided by and report on the following thresholds:

- 98% or above is considered excellent
- 96% to 97.9% is considered good
- 95% to 95.9% is considered satisfactory
- 95% to 90% is below the school average and will trigger contact from the school
- 90% or below is a cause for concern and will require intervention strategies (90% attendance equates to ½ a day off per school week)

Any absence not initiated by school must be covered by parental permission

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)

- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all students are boarders) are required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

3.2 Attendance practices

- Students should arrive in school by 08:50 on each school day.
- The register for the first session will be taken at 08:55 and will be kept open until 09:30 The register for the second session will be taken at 14:10 and will be kept open until 14:45.
- Subject staff mark the register using SIMs Lesson Monitor.
- Subject staff mark the register for each lesson for every Year Group. Students who truant lessons will receive a sanction and there will be written communication with home. Parents may also receive a phone call.
- Daily attendance is monitored by the Pastoral Support Officers (PSO), and Sixth Form Administrator.
- Authorisation of absence in most circumstances requires parents/carers to contact the school via Schoolcomms to email before 9.00am – and, when possible, inform the school of the expected duration of the student's absence. On the rare occasions when email access may not be available to parents/carers, parents/carers should

telephone the school before 9am. On such occasions a student will need to bring a letter to Reception signed by a parent/carer on the day of return to school if email contact has not been resolved.

- Parents/carers of main school students are contacted by 10:30am where students have failed to arrive by 09:30 and notice of their absence has not been received.
- Parents/carers of sixth form students are contacted by the end of the day where students have failed to arrive and notice of their absence has not been received.
- When the parent/carer fails to report an absence two days in a row, and staff are unable to make contact on the phone, a home visit is carried out, where possible, by a designated member of staff.

3.3 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

- Students will be spoken to about their attendance by their tutor, Head of House/Sixth Form or the Assistant Head: Progress and Well-being.
- Unauthorised absences are followed up through communication with home.
- Persistent absence is reported to the Head of House/Sixth Form for further action.
- Students who do not achieve 96% attendance by the end of the term are reviewed. Communication with parents/carers will follow if the Head of House/Sixth Form are concerned about the drop below the expected standard.
- When attendance continues to fall, the school sends a letter home inviting parent/carer for a meeting.
- Students who have 100% attendance will be recognised through the school's Rewards Policy.
- A student's attendance percentage and their number of lates are included in the annual full progress report that is sent home to parents.
- In severe cases of persistent absence, a student will be invited to a legal attendance meeting or in the case of sixth form; the student may lose their place.

3.4 Long Term Absence

- For all students where absences have been notified and are set to be longer than five working days, parents/carers will be asked to attend a meeting so that medical information can be shared and procedures put into place to assist the process of catching up with school work either during the absence, if deemed appropriate, or on a student's return. This will be coordinated by the Tutor and/or Head of House/Sixth Form.
- When students are absent, or likely to be absent, for more than one week on medical grounds, work will be set and marked by staff when deemed appropriate by the Head of House/Sixth Form – see *Medical Guidance Policy*
- Where students are hospitalised, the school will liaise with the appropriate services to ensure that they have access to the curriculum being taught during that period. On return to school, the student will be fully supported.
- The Head of House/Sixth Form will organise and oversee the support.
- In cases where extensive absence is accrued through intermittent absence, parents/carers and the student will be asked to attend a meeting to discuss progress and assess and agree any intervention strategies.
- At least five days' notice is needed for Tutors or Head of House to collate work.

- Permission for family holidays, public performances and productions outside of school needs to be sought in advance (usually at least six weeks), in writing from the Headteacher – *sixth form also see 4.1 below*
- In accordance with local authority policy, family holidays are not authorised.

3.5 Unplanned absence

Parents/carers must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health (see also section 3.2).

- To report **illness or sickness** or any other non-negotiated absence on the day (*this includes when a student should be attending work experience, or trips/visits arranged by the school or link organisation*), parents/carers should contact the school via Schoolcomms before 9.00am – and, when possible, inform the school of the expected duration of the student’s absence. On the rare occasions when email access may not be available to parents/carers, parents/carers should telephone the school before 9am. On such occasions a student will need to bring a letter to Reception signed by a parent/carer on the day of return to school if email contact has not been resolved.
- If a student is not well and is likely to be ill during the day they should not come into school as we do not have a medical room. In addition, their attendance could lead to more widespread absence if their illness is infectious. (*Please see our separate Medical Guidance sheet*).
- During exam time if a student is taken ill, School must be informed as soon as possible (by phone or email to *info@sggs.org.uk*) before the start of the exam session. (*Please see the separate Exams Handbook for further details relating to illness or situations affecting exam performance. This can be found in the Parents/carers Area on our website*). Students must alert an invigilator immediately if they are feeling unwell during an examination.
- Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.
- If the authenticity of the illness is in doubt, the school may ask parents/carers to provide medical evidence, such as a doctor’s note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.
- If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

3.6 Medical or dental appointments

Advance notice is required for authorising these absences. This can be done by emailing *absences@sggs.org.uk*. Missing registration for a medical or dental appointment is counted as an authorised absence. However, we strongly encourage parents/carers to make medical and routine dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.7 Lateness and punctuality practice

- A student who arrives late but before the register has closed (9.30 or 14.45) will be marked as late, using the appropriate code.
- A student who arrives after the register has closed will be marked as absent, using the appropriate code.
- Students are expected to be in school by 08.50 and to register in their first lesson at 08.55.
- If students arrive after the close of the register they should report to Reception and then sign in using the fingerprint scanners.
- In Years 7-11, students who arrive on more than three occasions after 08.55 am will receive a lunchtime detention on the same day, carried out on a rota by the Head House, unless their parents/carers have contacted School with a good reason for late arrival. Students who fail to turn up for late detentions will be referred to a Leadership Team detention on a Friday after school.
- In Years 12-13, all lateness is managed by Head of Sixth Form and will be sanctioned accordingly.
- All students who arrive after 10.30 need a note or telephone call from home explaining their late arrival. If no confirmation is received, this becomes an unauthorised absence.
- Persistent offenders have letters sent home and are discussed with the Head of House/Sixth Form with regard to further action.

3.8 Reporting to parents/carers

A student's attendance percentage and their number of lates are included in the annual full progress report that is sent home to parents.

4. Authorised and Unauthorised Absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to students during term time unless they consider there to be 'exceptional circumstances'. We define 'exceptional circumstances' as distinct, unusual and untypical events or occasions.

Occasionally, a student may need to apply for permission to be absent. Such permission can generally be sought in advance by a parent/carer applying in writing to the Headteacher via the PA. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Headteacher's discretion.

Valid reasons for **authorised absence** for all students include:

- Illness and medical/dental appointments – as explained in sections 3.5 and 3.6.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents/carers belong. If necessary, the school will seek advice from the parents/carers' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision.
- driving test (though driving lessons must not be scheduled for school time)

- if a student is an officially responsible carer for a family member and an emergency arises
- representing the school at an outside event.

All absences should be notified in advance.

Years 7-11:

- For students other activities such as participation in significant extra-curricular activities (other than those organised by school), a religious holiday/festival pertinent to a student's faith, or a family wedding a parent/carer should write directly to the Headteacher via their PA, seeking leave of absence (see section 4)
- Similarly, requests for leave of absence for occasions such as exams or a funeral should be made in writing to the Headteacher via their PA, giving as much notice as possible.

Years 12 & 13:

In the case of the sixth form, all absence requests should be made in advance to the Head of Sixth Form.

4.2 Holidays

It is not school policy to authorise absences for family holidays in term time.

Holidays are not permitted in term-time – and this includes odd days at the beginning or end of term. Amendments made to the 2006 regulations in the *Education (Pupil Registration) (England) (Amendment) Regulations 2013* make it clear that Headteachers may not grant students leave of absence during term-time unless there are exceptional circumstances. Previously Headteachers had been allowed to grant students leave of absence (of up to ten days) for the purpose of a family holiday in special circumstances. The strengthening of these regulations will mean that such leave can only very rarely be authorised.

- Parents/carers should therefore avoid taking holidays in term-time altogether, and this is something that is stressed at induction.
- This includes odd days at the beginning or end of term eg to enable travelling.
- In exceptional circumstances, a request should be made in writing directly to the Headteacher via their PA explaining the situation, and giving as much notice as possible (usually at least six weeks).
- If permission is not granted and leave is taken anyway, the absence will be recorded as unauthorised, and parents/carers should note that in condoning unauthorised absence they may be breaking the law and could be fined.
- Parents/carers are asked to note term dates which are published on the school's website well in advance.

4.3 Legal sanctions

Schools can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the Headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

- In Years 7-11, best termly Attendance and Punctuality in Tutor Groups is reported via the weekly Newsletter.
- Tutor Groups with the best weekly attendance and punctuality receive merits for each student.
- Students who have 96% attendance per term will receive a merit. Students who achieve 100% attendance per term will receive a Head's Commendation (equivalent to 5 merits). These rewards for good attendance feed into the House Competition that runs across the year.
- Attendance is recognised in whole school assemblies as part of the House competition.

6. Attendance monitoring

- The Pastoral Support Officers and Sixth Form Administrator monitor student absence on a monthly basis.
- Parents/carers are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2) and should update the school daily if the absence will be prolonged.
- If a student's absence goes above five school days we will contact the parents/carers to discuss the reasons for this (see section 3.4).
- If after contacting parents/carers a student's absence continues to rise, we will consider involving an Education Welfare Officer.
- The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee.
- Student-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.
- Student attendance reports and absence data are shared electronically with Heads of House/Sixth Form and Tutors. The data is stored within the school's secure IT systems. The data is used to track the attendance of individual students, identify whether or not there are particular groups of children whose absences may be a cause for concern, and monitor and evaluate those children identified as being in need of intervention and support.
